## Message from the Director...

Dear Students:

I understand that these are difficult financial times for you and for your family so I appreciate even more your support of our program and of ASU. The faculty and staff in the Women and Gender Studies Program are committed to helping you to graduate on time and we will be offering a full array of courses in Summer and Fall of 2009. From time to time you will read things in the newspapers about cuts at ASU and while they are unacceptable I want to reassure you that so far we have not had to cut faculty, classes or programs in Women and Gender Studies. If you have any questions or concerns please feel free to contact me or our adviser, Amanda Smith. Best wishes for a successful semester.

Professor Mary Margaret Fonow
